

**SCHOOL PERFORMANCE FACT SHEET  
 CALENDAR YEARS 2012 & 2013**

**Bachelor of Science Degree Animation & Visual Effects (36 Months)**

1. Completion Rates: Students Completing Within 100% of Published Program Length (includes data for the two calendar years prior to reporting)

Calendar Year	Number of Students Who Began Program <sup>1</sup>	Students Available for Graduation <sup>2</sup>	Graduates <sup>3</sup>	Completion Rate <sup>4</sup>
2012	*	*	*	*
2013	*	*	*	*

\*This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.

<sup>1</sup>“Number of Students Who Began Program” is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

<sup>2</sup>“Students available for graduation” is the number of students who began program minus the number of “Students unavailable for graduation,” which means those students who have died, been incarcerated, or called to active military duty.

<sup>3</sup>“Graduates” is the number of students who completed the program within 100% of the published program length.

<sup>4</sup>“Completion Rate” is the number of Graduates divided by the Number of Students Available for Graduation.

Initials: \_\_\_\_\_ Date: \_\_\_\_\_ I have read and understand the above completion rates.

2. Placement Rates (includes data for the two calendar years prior to reporting)

Calendar Year	Number of Students who Began Program <sup>1</sup>	Number of Graduates <sup>2</sup>	Graduates Available for Employment <sup>3</sup>	Graduates Employed in the Field <sup>4</sup>	Placement Rate Employed in the Field <sup>5</sup>	Graduates Employed in the Field an Average of Less Than 32 Hours Per Week	Graduates Employed in the Field At Least 32 Hours Per Week
2012	*	*	*	*	*	*	*
2013	*	*	*	*	*	*	*

\*This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.

<sup>1</sup>“Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

<sup>2</sup>“Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

<sup>3</sup>“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

<sup>4</sup>“Graduates employed in the field” means graduates who are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program.

<sup>5</sup>“Placement Rate” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

This program is not represented to lead to any one particular outcome, including that specified in the program title. The placement rates calculated above are based on students finding employment in the multiple occupations or job titles that the school has determined meet the criteria discussed above. For further information regarding how the graduation or placement rates are calculated, or to obtain a list of positions determined to be within the field for which a student received education and training, contact the Career Development Department.

Initials:\_\_\_\_\_ Date:\_\_\_\_\_ I have read and understand the above placement rates.
