

2023 LAFS ALUMNI MIXER

Don't miss the last Los Angeles Film School Alumni Mixer of 2023 on Tuesday, October 24th! Connect and collaborate with alumni from across the school's rich 20+ year history. Be inspired by the graduate featured in our Alumni Spotlight panel, and enjoy a fun night reliving great memories, all while making brand new ones.

This special hybrid event is open to graduates from all programs. Join us on campus in the B2 Lobby or stream along virtually as we engage with online participants on Zoom. We look forward to seeing you all!
